Changing Lives: Measurements of Success

Each of the three sections below are designed to be interdependent and specifically to relate to the three Changing Lives themes:

- 1. Health and wellbeing
- 2. Community and participation3. Relationships and family

3. Re	3. Relationships and family							
	Objective	Purpose	Actions	Measurement of				
				success				
1	Stakeholder Network Group

		support				

Connectivity beyond Norwood

Thriving Norwood has also been actively involved with the International Futures Forum (IFF) who have created a framework to measure qualitative impact of the Lambeth wide Thriving community and planning a future strategy.

The Project Coordinator will play a vital role in representing Norwood in this work, in being a two way conduit for new ideas and information and building stronger links with the other Thriving Lambeth groups.
