THE COMMUNITY

Agenda

There are no issues arising from our AGM last year. This was held in person at The Old Library, West Norwood, on Saturday 15 July 2023.

So, we will approve the minutes and move on to my Chair's Report covering our work for the last year.

The logo for Norwood Forum is a red square containing the text "NORWOOD FORUM" in large, bold, orange capital letters, with "CONNECTING THE COMMUNITY" in smaller, orange capital letters below it.

# GCSE Mathematics Confidence Booster

- The aim of this project was to boost confidence of students in time for their first GCSE Mock
- Initial aim was for 20 students, which we had registered but all did not attend at the same time due to different school activities.
- Project ran from September to December 2023 for 2 hours every Saturday morning and occasional Fridays.
- The aim of the project was met as students all felt confident for their first mock after the first school half term.
- We had wonderful feedback from parents at the end.

26 November 2023

Dear Antoinette, just wanted to say thank you so much for your support with Dylan and his maths. He came home yesterday telling us that he now understands something that he had struggled with for four years. This is amazing and we are so appreciative.

Kind regards

Tina
