## PLANS FOR NEW HOMES AT 279 ROSENDALE ROAD

After many years as a derelict eyesore we have developed plans for 34 new homes, including affordable homes, at 279 Rosendale Road. We plan to maintain some of the original features including the attractive but presently run down façade.

Please join us at the Rosendale Community Centre (147 Peabody Cottages, SE24 9DR) to have a look at our emerging plans for the site:

**14 November - Thursday - 3pm - 7pm**

**16 November - Saturday - 11am - 2pm**

Tea and coffee will be provided.

We want to hear what you think before we submit a planning application to Lambeth Council.
